Dubai Charter Yacht - confirmation that the investor understands the risks

Dubai Charter Yacht (BI-YT-01)

Version v1.0 | 14 Jun 2026

Ref BI-YT-01/RA/1.0

SAMPLE - DEMO DOCUMENT

Illustrative only. Not an offer, not advice, not a legal instrument. Capital at risk.

By signing, the investor confirms they have read the offering terms and understand the risks below. This is a sample acknowledgement for demonstration purposes.

Principal risks

- Charter revenue is seasonal and not guaranteed.
- The yacht is a single physical asset - damage or downtime reduces income.
- Holdings are illiquid; no public market exists for the units.
- Capital is at risk; you may get back less than you invest.
- Distributions depend on actual net cash generated and are never fixed.
